THE PRODUCT ATTRIBUTES

Soft Close Seat Cover

Water - Saving Flushing System

More Hygienic & Easy Cleaning

Each Product Radiates Glossiness & Whiteness

More Silent

More Ecological

JET FLUSHING

The water is ejected from the water distribution holes around. With the help of strong water flow impulse, the sewage can be washed away quickly and the sewage discharge capacity is strong.

RIMLESS FLUSHING

The new Rimless flush system, Next flushing systems come with visible edges and use only a small amount of water, leaving no space for dirt and bacteria to form. This makes it extremely quick and easy to clean. Flushing and perfect cleaning are assured with just 4.5/5 liters of water.
